

March 16, 2017

Dear Parents,

We had a great week here at school! It was so nice to see so many of you at Family Literacy Night last night! The kids really seemed to have a good time☺ **Please remember that there is no school tomorrow due to a teacher in-service.** Here is a look at the week ahead:

Reading: We will be reading Stormy Weather and learning about the r-controlled vowel or. The story quiz and spelling test will be next Friday.

Math: We will finish up our chapter on adding and subtracting larger numbers. However, we will continue to practice regrouping in addition quite a bit. Our next unit in math focuses on organizing and using graphs. We will be taking some surveys and making our own graphs and I'm sure the kids will enjoy that!

Science: We started our animal research reports yesterday and the kids love looking up facts about their animals. We will continue to work on the reports and hopefully have them completed and displayed in the hallway sometime next week.

Please remember that spring break is coming up. The students will be off from Monday, April 10th-Monday, April 17th. School will resume on Tuesday, April 18th. I hope everyone has a great weekend and a fun St. Patrick's Day! I'll see you Monday☺

~Annie

Stormy Weather
