

March 31, 2017

Dear Parents,

I hope everyone had a great week! We had a great week here at school☺ I cannot believe that we are in the last quarter of the year. I am starting to get very sad thinking that these kids won't be "mine" next year...time goes by way to quickly. Reports cards were posted to your family access on the school's website. If you have any questions or concerns about your child's grades, please let me know. Here is a look at the week ahead:

Reading: We will be reading A Tiger Cub Grows Up and learning about the vowel diphthongs oi and oy. The story quiz and spelling test will be next Friday.

Math: We will be finishing up our unit on graphing next week. The students will be taking a test and completing their own surveys, tally charts, picture graphs, and bar graphs. We will begin our next unit in math after the break.

Science: The animal reports are completed and displayed in the hallway. Come check them out! The kids did a great job. I have been getting some of the STEM animal projects in and they are absolutely wonderful! I cannot wait to see the rest! Please remember to have them in on Monday so the students can present them to their classmates. It is so cool to see the kids so excited about science☺

Please remember that next week is our last week before spring break. Students will be off from Monday, April 10th-Monday, April 17th. School will resume on Tuesday, April 18th. I hope everyone has a great weekend and is able to get out and enjoy the weather! I'll see you Monday☺

~Annie

A Tiger Cub Grows Up
