

April 7, 2017

Dear Parents,

Happy Spring Break! The kids are excited and have been working really hard so they deserve to have some time off! I hope that the kids are able to relax, spend some time outside, and spend time with family and friends☺ The students will be off from April 10<sup>th</sup>-April 17<sup>th</sup>. School will resume on Tuesday, April 18<sup>th</sup>. Here is a look at the week when we return from break:

**Reading:** We finished our fifth unit in the reading series and will be starting our 6<sup>th</sup> and final book. We will be reading Olivia and learning about the vowel digraph oo. The story quiz and spelling test will be next Friday.

**Math:** We finished up our graphing unit and the kids' graphing projects are displayed in the hallway. They did a great job of surveying their classmates and using the data collected to create picture and bar graphs. When we return from break we will start our unit on measurement.

**Science:** I want to thank all of you for the hard work on the animal STEM projects! They were just awesome!! I am so proud of how well the students did...thank you for your help and support in doing these at home☺ We will finish up our unit on plants when we return from break.

I hope everyone has a wonderful break and a very happy Easter! I'll miss all of my students! See you after break!

~Annie

# Olivia
